# My Dog

My dog is cute. His name is Axel. He is around 50 cm tall and he is in the shape of a cylinder. He is white and caramel colour and darker at the ears, back and tail. His fur is short and thick. He has floppy ears that are shaped like triangles. His eyes are black. He has a blue collar and a pink tongue. Axel has barely visible whiskers which are next to his wet black nose. Axel always has his mouth open and is always smiling. The skin on his neck is wrinkly but not anywhere else. On the top of his nose is a little bit of brown.
